

The CAP Study - Instructions for Survey 6

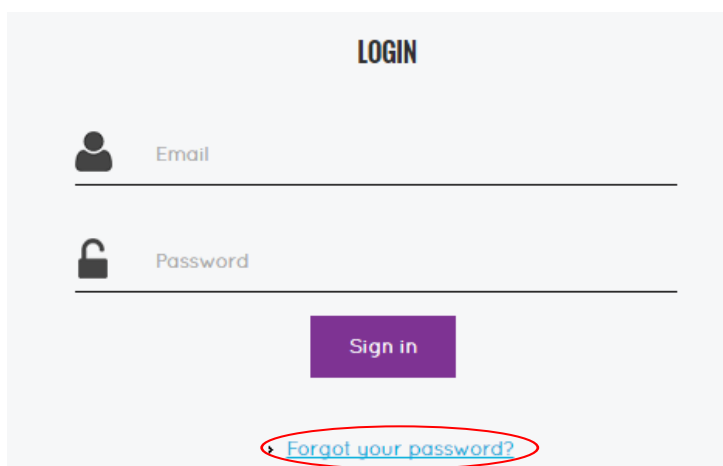

When following the link provided in the invitation email, you should be logged into the CAP website automatically. If you are not logged in automatically, **please complete Survey 6 by following the below steps:**

1. Go to the CAP Study website at www.capstudy.org.au
2. Login using your username (email address) and password.
3. Click on the "Survey 6" button to start the survey, making sure that you complete the whole survey **and click "complete" at the end.**

If you are unable to log in, you may need to reset your password.

To manually reset your password:

1. Go to www.capstudy.org.au.
2. Below the login form, click on "Forgot your password?" link.
3. Enter your email address when prompted..

A password reset link will be sent to this email address.

If the email supplied is incorrect, you will not receive the password reset link. In this instance, or if you experience any issues with manual reset, please contact Anna Smout.

Passwords can be reset over the phone instantly, and we endeavour to respond to all password reset emails within 10 mins (Monday-Friday during business hours).
